

Request for an IDB-data analysis and report,

IDB-data contain information on the frequency of injuries among various population groups as well as on the external circumstances of injuries, e.g. location of injury, activity carried out when injuries, involved products or substances. With this form you can request an offer for a data analyses on a specific issue. Please specify your query in the boxes below.

A standard report presents the number of specific cases, registered over the past ten years in emergency departments of hospitals, as well as breakdowns by country, reporting year, age, sex, location, activity, involved products or substances and other interesting IDB-FDS data elements. If possible, you will also get an estimated number of cases, which occur annually in the entire EU-27.

This service is subject to a cost-covering fee of EUR 750 plus 21% VAT per working day. For a complete data report a lump sum of EUR 1500 plus 21% VAT.

Subject: *E.g. injuries of toddlers involving baby walkers, sports injuries of adolescents (15-29), traumatic brain injuries of bicyclists, injuries among elderly (+65) in bathrooms, cases of carbon monoxide poisoning...*

...

Purpose: *E.g. risk assessment of child safety products, press release for a sports safety campaign, report on vulnerable road users, lecture at a geriatrics conference...*

...

With my signature I AGREE WITH THE FOLLOWING TERMS OF USE:

- I will use the data only for the mentioned purpose with a view to enhance public health and safety.
- Whenever publishing any results of such research or analyses, I will indicate the source ("Source: EU Injury Database – The IDB Network & the European Association for Injury Prevention and Safety Promotion") in text, tables, figures, and list of literature. I will notify any publication using IDB data to the network-coordinator.
- I agree that data suppliers, network-coordinator, or data controller cannot be hold responsible for any outcome or conclusions of research and analyses.
- I allow EuroSafe to publish a one page summary of the data report on its website, 6 months after my acceptance of the full report.

My CONTACT DETAILS: Name, Organisation, e-mail, phone-nr.
